- A. Any holder, 100 percent of any loss on the guaranteed portion held by such holder and on interest due on such portion.

The Agency will pay the lender interest which accrues during and up to 90 days after the time period the lender is unable to dispose of the acquired property due to state imposed redemption rights on any unsecured portion of the loan during the redemption period, if an estimated loss claim was paid by the Government during the liquidation action.

Anytown, IL 12345

**Lender:** National Bank  
567 Main Boulevard  
Anytown, IL 12345

**Principal Amount: \$112,500.00**

**Interest Rate: 5.50%**

**Date of Note: July 1, 2021**

**PROMISE TO PAY.** John R. Doe, Jr. ("Borrower") jointly and severally promise to pay to National Bank ("Lender"), or order, in lawful money of the United States of America, the principal amount of One Hundred Twelve Thousand Five Hundred & 00/100 Dollars (\$112,500.00), together with interest at the rate of 5.50% per annum on the unpaid principal balance from July 1, 2021, until paid in full.

**PAYMENT.** Borrower will pay this loan in 20 payments of \$9,413.92 each payment. Borrower's first payment is due July 1, 2022, and all subsequent payments are due on the same day of each year after that. Borrower's final payment will be due on July 1, 2041, and will be for all principal and all accrued interest not yet paid. Payments include principal and interest. Unless otherwise agreed or required by applicable law, payments will be applied first to accrued unpaid interest, then to principal, and any remaining amount to any unpaid collection costs and late charges. Interest on this Note is computed on a 365/365 simple interest basis; that is, by applying the ratio of the annual interest rate over the number of days in a year, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

**PREPAYMENT; MINIMUM INTEREST CHARGE.** In any event, even upon full prepayment of this Note, Borrower understands that Lender is entitled to a minimum interest charge of \$36.00. Other than Borrower's obligation to pay any minimum interest charge, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: National Bank, 1234 America Boulevard, Anytown, NY 12345.

**LATE CHARGE.** If a payment is 10 days or more late, Borrower will be charged \$50.00.

**INTEREST AFTER DEFAULT.** Upon default, including failure to pay upon final maturity, the total sum due under this Note will bear interest from the date of acceleration or maturity at the interest rate on this Note. The interest rate will not exceed the maximum rate permitted by applicable law.

**DEFAULT.** Each of the following shall constitute an event of default ("Event of Default") under this Note: **Payment Default.** Borrower fails to make any payment when due under this Note.

**Other Defaults.** Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

**False Statements.** Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

**Death or Insolvency.** The death of Borrower or the dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the Commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note. In the event of a death, Lender, at its option, may, but shall not be required to, permit the guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure any Event of Default.

**Adverse Change.** A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

**Cure Provisions.** If any default, other than a default in payment is curable and if Borrower has not been given a notice of a breach of the same provision of this Note within the preceding twelve (12) months, it may be cured (and no event of default will have occurred) if Borrower, after receiving written notice from Lender demanding cure of such default: (1) cures the default within fifteen (15) days; or (2) if the cure requires more than fifteen (15) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

**LENDER'S RIGHTS.** Upon default, Lender may declare the entire unpaid principal balance on this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount. Under all circumstances, the Indebtedness will be repaid without relief from any Indiana or other valuation and appraisal laws.

**ATTORNEYS' FEES; EXPENSES.** Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including without limitation all attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

*A copy of the note for the unguaranteed portion should be included in the settlement package.*

**PAYMENT.** Borrower will pay this loan in 20 payments of \$1,089.81 each payment. Borrower's first payment is due July 1, 2022, and all subsequent payments are due on the same day of each year after that. Borrower's final payment will be due on July 1, 2041, and will be for all principal and all accrued interest not yet paid. Payments include principal and interest. Unless otherwise agreed or required by applicable law, payments will be applied first to accrued unpaid interest, then to principal, and any remaining amount to any unpaid collection costs and late charges. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

**VARIABLE INTEREST RATE.** The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the WALL STREET JOURNAL PRIME RATE (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notice to Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than the 1<sup>st</sup> day of each calendar quarter (January 1, April 1, July 1, October 1). Borrower understands that Lender may make loans based on other rates as well. **The Index currently is 5.00% per annum. The interest rate to be applied to the unpaid principal balance of this Note will be at a rate of 1.00 percentage point over the Index, resulting in an initial rate of 6.00% per annum.** NOTICE: Under no circumstances will the interest rate on this Note be more than the maximum rate allowed by applicable law. Whenever increases occur in the interest rate, Lender, at its option, may do one or more of the following: (A) increase Borrower's payments to ensure Borrower's loan will pay off by its original final maturity date, (B) increase Borrower's payments to cover accruing interest, (C) increase the number of Borrower's payments, and (D) continue Borrower's payments at the same amount and increase Borrower's final payment.

**PREPAYMENT; MINIMUM INTEREST CHARGE.** In any event, even upon full prepayment of this Note, Borrower understands that Lender is entitled to a minimum interest charge of \$36.00. Other than Borrower's obligation to pay any minimum interest charge, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: National Bank, 123 Main Street Anytown IN 54321

**LATE CHARGE.** If a payment is 10 days or more late, Borrower will be charged \$50.00.

**INTEREST AFTER DEFAULT.** Upon default, including failure to pay upon final maturity, the total sum due under this Note will bear interest from the date of acceleration or maturity at the variable interest rate on this Note. The interest rate will not exceed the maximum rate permitted by applicable law.

**DEFAULT.** Each of the following shall constitute an event of default ("Event of Default") under this Note: **Payment Default.** Borrower fails to make any payment when due under this Note.

**Other Defaults.** Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

**False Statements.** Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

**Death or Insolvency.** The death of Borrower or the dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note. In the event of a death, Lender, at its option, may, but shall not be required to, permit the guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure any Event of Default.

**Adverse Change.** A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

**Cure Provisions.** If any default, other than a default in payment is curable and if Borrower has not been given a notice of a breach of the same provision of this Note within the preceding twelve (12) months, it may be cured (and no event of default will have occurred) if Borrower, after
